Returning to Play Do Learn after Corona Virus:
A Social Story
Mommy says I will be going back to school soon. I am excited to see my teachers and friends!

Things will be different, but my teachers are going to keep me safe!
I will ride to school with my family. My teacher will be waiting outside to take me inside to my classroom.
My teachers may look a little different because they are wearing masks, but they’re the same!

Ms. Libby
Ms. Annette
Ms. Alana
Ms. Kathy
Ms. Jeanene
Ms. Amber
Ms. Linda
Ms. Ashley
Ms. Felesha
Their masks keep me safe from germs!
When I get to school, they will take my temperature. Don’t worry, it doesn’t hurt!

I will change my shoes,

And wash my hands.
Then I will get to say, “Hi!” to all my friends. There are new ways to greet my friends since we can’t hug. Here are some ways to say, “Hello.”

- wave
- wink
- spirit fingers
- air hug
- elbow bump
- hip bump
- elbow bump
After I say “hi” to my friends, I will get to play and learn!
I will be careful when I play to keep my friends safe from germs.

I will cover my cough and sneezes, and wash my hands after!
After school, my teachers will take me outside, and my family will pick me up.

We will go home until it is time to go to school, again!
