

Sustainable Scavenger Hunt

Are you ready to lead a more sustainable lifestyle to help the planet? Start by searching your home. Take a picture or video clip of these items to complete the scavenger hunt. If you can't find them all, that's okay!

An alternative to a plastic water bottle

Something you can unplug to save energy

An item to help you pack a sustainable lunch

A reusable item to carry your groceries in

A snack with sustainable "packaging"

An alternative to plastic cutlery

A recyclable item that is ready for the recycle bin

A reusable way to pick your produce

An alternative to paper towels/napkins

A plastic-free bath item

A sustainable way to store leftovers

An item that can be purchased in bulk to limit packaging

An alternative to single-use coffee cups

A sustainable cleaning product

An article of clothing/accessory made with recycled materials

A sustainable laundry item

An alternative to plastic-wrap

A way to skip the plastic straw, if you're able to
